

Custom Incentives

Evergy Custom Incentives are paid based on the amount of your project's energy savings and provide solutions tailored to your business. Pre-approval is required, so apply before purchasing or installing equipment in order to be eligible to receive an incentive. Energy efficiency upgrades eligible for Custom Incentives include:

Incentive Category	Incentive (per kWh saved)	Common Upgrades
Building Shell	20¢	Insulation Above Code, Windows
Compressed Air	8¢	Compressed Air Optimization or Upgrades
Cooling	27¢	Chiller Replacement, Heat Pump
Electric Heating	4¢	Heat Pump (heating), Heating Recovery Units (heating), Boiler, Furnace
Food Services	9¢	Kitchen Demand Ventilation Controls
HVAC Controls Optimization with Peak Demand ¹ Reduction	10¢	Cooling Tower Replacement, Chiller Plant Optimization, Air Optimization/Balancing, Building Optimization, CO Monitoring (Parking Garages), Variable Air Volume (VAV) Conversion, Variable Refrigerant Flow Systems, Heating Recovery Units, Energy Management System
HVAC Controls Optimization without Peak Demand ¹ Reduction	4¢	Economizers, Programmable Thermostats, Setback
Exterior Lighting with Peak Demand ¹ Reduction	7¢	Efficient Exterior Lighting Operating 24/7
Exterior Lighting without Peak Demand ¹ Reduction	4¢	Efficient Exterior Lighting Operating Dusk to Dawn
Interior Lighting	9¢	Efficient Interior Lighting Redesign
Interior Lighting Controls	6¢	Interior Lighting Controls
Miscellaneous	7¢	High Frequency Chargers, Computer Power Management Software, Advanced Power Strips
Motors & Drives	10¢	Variable Speed Drives for Pumps or Fans, Motor Drives, High Efficiency Motors
Process Optimization	10¢	Injection Molding Machines, Use of Mechanical Agitators instead of Blowers
Refrigeration	6¢	Freezer and/or Refrigerator Insulation
Water Heating	9¢	Electric Water Heaters, Pipe Wrap or Insulation

¹ Evergy's peak demand period is 4:00pm – 6:00pm on weekdays when daily maximum dry bulb outdoor air temperature is ≥ 95°F from June to August, excluding holidays.

Get Started Saving

Don't see your upgrade on the list above? If it saves energy, chances are it qualifies for an incentive. Contact your preferred contractor, Trade Ally or business development representative below, call (866) 847-5228 or email businessrebates@evergy.com for more information on all available incentives.
