

1 Program Requirements

The Trade Ally must be enrolled and in good standing with KCP&L Business Energy Savings Program to be eligible to submit applications on behalf of KCP&L customers. Please complete all fields and provide all requested documents in order to complete enrollment. Failure to provide requested information will result in postponed project processing. Completion of this form does not guarantee acceptance in the Trade Ally Alliance. KCP&L reserves the right to decline participation request for any reason, including, but not limited to, prior program misrepresentation, fraud, and customer complaints.

It is the Trade Ally's responsibility to inform KCP&L of any changes to the information provided here. Confirmation of Trade Ally enrollment does not imply endorsement, certification, or qualification of applicant's company, products, or services. Subsequently, Trade Allies may not represent themselves as being endorsed by KCP&L. Use of the KCP&L name or logo by a Trade Ally is not permitted without prior approval from KCP&L.

To enroll as a Trade Ally, submit this form and the required documents listed below to businessrebates@kcpl.com. For any questions, call 866-847-5228.

How did you hear about becoming a KCP&L Business Energy Savings Program Trade Ally?

11 Applicant Signature

Applicant signature:	Print name:	Date:
----------------------	-------------	-------

KCP&L requires the following participation and invoicing standards for the Trade Ally to remain enrolled in the KCP&L Business Energy Savings Program offerings.

Trade Ally Participation

Trade Ally must:

1. Complete Trade Ally application including all requested certifications and licenses.
 - a. The Trade Ally must maintain required certifications, and carry the usual, appropriate and legally required insurance for their type of business.
 - b. The Trade Ally must notify KCP&L of any changes to these documents.
2. Complete Program Participation Training session either in-person or webinar for every staff member interfacing with the Program.
3. Comply with Code of Conduct.
4. Other types of Trade Allies such as manufacturers and consultants that wish to be listed in the Trade Ally Network directory will not be subject to participation requirements 1 listed above.

Project Application

1. Applications shall be submitted as specified on the program applications and include all required supporting documentation.
2. Project cost must include disclosure of any and all discounts, whether they are granted during pre-installation or post-installation of project.
3. Invoices must include itemized equipment quantities, equipment cost, installation cost, and model/serial numbers.

Trade Ally Code of Conduct

The Trade Ally agrees to:

1. Conduct business in an honest and ethical manner.
2. Avoid conflicts of interest with all parties.
3. Comply with applicable laws, ordinances, regulations, and codes.
4. Fulfill contractual obligations.
5. Represent program in a manner that does not adversely affect KCP&L's business, operations, reputation, program integrity, or customer satisfaction.
6. Respectful treatment of the customer's facility and property, including communication with the customer and KCP&L when damage to the facility or property has occurred as a result of Trade Ally project implementation.
7. Truth in all aspects of engagement with KCP&L. This includes accuracy and transparency of all submitted documentation, project costs, energy savings projections, and equipment performance claims.

Non-Compliance

If Trade Ally fails to comply with the Code of Conduct in any way, KCP&L may, in its sole and absolute discretion, inspect all projects, suspend Trade Ally, and/or terminate Trade Ally status.

KCP&L reserves the right to exercise full discretion in Trade Ally expulsion for all non-compliance issues, particularly those involving fraud, improper customer interaction or program misrepresentation.

Terms and Conditions

Term

Trade Ally status shall commence on the date this application is accepted by the Kansas City Power & Light Company on behalf of itself or its affiliate KCP&L Greater Missouri Operations Company (collectively "KCP&L") and shall continue until terminated in writing by either party as set forth below. Within 30 days of receiving a completed application, KCP&L will make a determination on whether this application for Trade Ally membership is approved or denied. The Trade Ally Membership Letter will be sent via email to the Applicant. Applicant approval will be effective as of the date of letter issuance from the Program, after the orientation training is complete. Trade Ally membership will be effective for a term of one calendar year from the date of the Application Approval e-mail and will automatically renew each year on the anniversary of such Application Approval e-mail for an additional one year period, unless otherwise suspended or terminated in accordance with these terms and conditions, or any program specific terms and conditions.

Termination

Trade Ally status may be terminated without penalty by Trade Ally or by KCP&L for any reason, at any time. Written notice of termination must be sent to the non-terminating party by mail, fax, or email. When termination is initiated by written notice, termination will be effective as of the date the termination letter is received by the non-terminating party. Upon termination, Trade Ally, and if applicable, Trade Ally's customer, shall be eligible to receive incentive payments earned prior to the termination of Trade Ally status. Notwithstanding anything to the contrary, no payments will be made for any anticipated profits, revenues or the like as a result of termination.

Indemnification

Trade Ally agrees to indemnify, defend, and hold harmless KCP&L, MEEIA, the State of Missouri and their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees, against all losses, damages, expenses, fees, costs, and liability arising from any product, system, equipment, or appliance ordered or installed by Trade Ally. The Trade Ally agrees that such obligations under this section shall survive any expiration or termination of this application and shall not be limited by any enumeration herein of required insurance coverage. To the maximum extent permitted by law, the Applicant agrees to limit KCP&L's liability to the Applicant for any reason to the total amount of the payments identified in this Agreement. This limitation shall apply regardless of the cause of action or legal theory pled or asserted. Under no circumstances will KCP&L, MEEIA, the State of Missouri, and their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees be responsible for any indirect, special, or consequential damages, however they may occur.

Independent Trade Ally

Trade Ally may present himself/herself/itself as an Ally of the KCP&L Business Energy Savings Program offerings. By signing this application, Trade Ally does not become an agent, employee, or representative of the KCP&L Business Energy Savings Program offering, KCP&L, MEEIA, or the State of Missouri. The parties shall not be considered to be joint venturers, partners, agents, servants, employees, fiduciaries, or representatives of each other, and no party shall have the right or power to bind or obligate any other party to, or third-party beneficiary of, these terms and conditions.

No Representations

Trade Ally shall not, directly or indirectly, represent the Trade Ally's products, services, offerings, or work to potential customers or others as being endorsed, guaranteed, or warranted in any way by KCP&L, the KCP&L Business Energy Savings Program offerings, the State of Missouri, or MEEIA. Use of the KCP&L name or logo by Trade Ally is NOT permitted without prior written approval from KCP&L.

Confidentiality

Each party may have access to confidential or proprietary information of the other during participation in the KCP&L Business Energy Savings Program offerings and accordingly agree to disclose such information only to its personnel who have a need to know such information in connection with the performance of the program and who are subject to nondisclosure requirements at least as restrictive as those contained herein.

Codes and Licensing

Trade Ally and its subcontractors shall comply with and conform to all federal, state, local, and international laws, statutes, ordinances, regulations, rules, codes (including building codes), and orders applicable to Trade Ally, its business, and the work performed by Trade Ally. Trade Ally represents and warrants that Trade Ally has obtained, and currently maintains, all federal, state, local, and foreign governmental franchises, licenses, and permits material to and necessary in the conduct of Trade Ally's business and that Trade Ally is not subject to, or party to, any license, permit, law, rule, ordinance, regulation, order, judgment, or decree, or any other restriction of any kind or character, which adversely affects the business practices, operations, or condition of Trade Ally's business.

Insurance

Trade Ally agrees to carry usual and customary, appropriate and legally required insurance for their type of business. At a minimum, Trade Ally will, at its sole expense, purchase, maintain, and require its agents and subcontractors to purchase and maintain, during the term of its participation in the Program, insurance policies with substantial and sound insurers with an A.M. Best's rating of A-:VII or other agency equivalent, having coverage of at least the following types and minimum coverage amounts: commercial general liability with a limit of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate; automobile liability with a limit of not less than \$500,000 combined single limit; workers compensation as required by state law with liability limits of not less than \$500,000 each accident for bodily injury by accident and by disease; and commercial excess or umbrella insurance with a limit of not less than \$1,000,000 per occurrence.

Program Procedures and Scope of Service

Trade Ally shall provide diagnostic and/or installation services consistent with the procedures and requirements set forth in the applicable program, including all updates, supplied to Trade Ally under separate cover and incorporated herein by reference. Trade Ally acknowledges that Trade Ally has received, read, and agrees to comply with the program procedures outlined in the Program Guidelines and Qualifications.

Misrepresentation

Making false statements on any KCP&L Business Energy Savings Program incentive application is punishable under the law. Any person who knowingly files an application containing any materially false information or who purposely and misleadingly conceals information commits a fraudulent act that subjects such person to criminal and civil penalties. Any and all funds determined, in KCP&L's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be fully returned to KCP&L. Should the Applicant or its representative apply for and receive duplicate payment, KCP&L reserves the right to recover payments made in excess of the entitled incentive. This section shall not limit other remedies that may be available for the filing of false or fraudulent applications.

Inspections

Member understands that there will be inspections and verifications of Trade Ally work in accordance with policies and procedures of each of the programs. Member must cooperate with these inspections and verifications, and continue to perform at an acceptable standard. Inspections will verify the project for program purposes only, and no warranty for any purpose is expressed or implied. If Trade Ally does not perform at an acceptable standard and, as a result, has its participation as a Trade Ally terminated, member will no longer be entitled to any Trade Ally benefits.

KCP&L and its representatives shall have no responsibility for the discovery, presence, handling, removal, or disposal of or exposure of Trade Ally or any other persons to hazardous materials of any kind in connection with Member's participation in any KCP&L program, including and without limitation asbestos, asbestos products, PCBs, or other toxic substances.
